## Recent social policy and practice publications (from Idox)

The Idox Knowledge Exchange is a repository of information relating to public and social policy and practice. Register for access [here](#). Below are this month's results from a broad climate change search focussing on publications relating to climate change factors that will have impact within Scotland and the UK.

- Joseph Perry Consulting. **The role of circular economy practices in climate resilient food and drink supply chains in the Highland region of Scotland.** May 2025.
- London Assembly Environment Committee. **Involving Londoners in the pathway to net zero by 2030.** May 2025

- Social Market Foundation. **Whose energy transition is it anyway? The case of clean heat.** May 2025.

- Tony Blair Institute for Global Health. **The climate paradox: why we need to reset action on climate change.** May 2025.

## Recent reports and news (grey literature)

A rundown of publications from key public health organisations within the last month.

- Climate Change Committee. **Wales' fourth carbon budget.** CCC, 14 May 2025.

- Climate Change Committee. **Scotland's carbon budgets.** CCC, 21 May 2025.

- Climate Change Committee. **Net zero distributional model - methodology.** CCC, 21 May 2025.

- Scottish Government. **Climate change plan: monitoring report 2025.** SG, 20 May 2025.

- Scottish Government. **Scottish climate survey: technical report.** SG, 22 April 2025.

- UK Health Alliance on Climate Change. **Decision to permit wood burning stoves in new builds should be reversed.** UKHACC, 06 May 2025.

- UK Health Alliance on Climate Change. **How the Sustainable Markets Initiative is helping make healthcare sustainable.** UKHACC, 26 May 2025.

- UK Health Alliance on Climate Change. **UKHACC Bulletin May 2025.** UKHACC, 16 May 2025.

- World Meteorological Organization. **Global climate predictions show temperatures expected to remain at or near record levels in coming 5 years.** WMO, 28 May 2025.
